

HP Durable Frontlit Scrim Banner is a mid-priced, 16-oz. durable media delivering high-colour brilliance and image quality on a smooth matte finish. Fire-resistant and reflective qualities make it a great choice for indoor use¹.

Ideal for mid-volume print service providers (PSP) looking for well-priced indoor banner with a high-quality look.

Durable and fire-resistant (NFPA 701/B1/M2) PVC scrim banner fits a range of indoor and outdoor applications where high visibility and impact are desired.

This PVC frontlit scrim banner has a high-quality matte finish that renders high image definition and vivid colour for maximum impact. Smooth surface provides good ink adhesion and renders brilliantly sharp images.

HP Durable Frontlit Scrim Banner is perfect for a wide range of indoor or outdoor displays; this breadth of applications makes it an exceptionally versatile media.

¹ Meets the following fire-resistant ratings: NFPA 701 (USA) B1/DIN 4102 (Germany) and M2/NFP 92-501 (France)

HP Durable Frontlit Scrim Banner

Compatibility

For compatibility information, please refer to the latest Large Format Supplies Compatibility chart on www.hp.com/go/designjet/supplies

For the latest ICC/media profiles, please visit www.hp.com/go/designjet/supplies (click on ICC profiles and select your printer). For non-post script printers see your external RIP vendor.

Product specifications

Weight	535 g/m ² per ISO 536 Test Method, 16 oz															
Thickness	17.7 mil/450 microns per ISO 534 Test Method															
Opacity	Greater than or equal to 96% per ISO 2471 Test Method															
Lamination	Lacqering possible															
Finish	Semi-gloss															
Tear strength	>100N (MD) / >110N (CD) per ASTM D1004 Test Method															
Tensile strength	>1800N/50mm (MD) / >1800N/50mm (CD) per TAPPI T-494 Test Method															
Operating temperature	15 to 30° C															
Operating humidity	30 to 80% RH															
Lighfastness (Indoor Commercial Window Low-solvent Ink)	Greater than 3 years (with Latex, HP 790 and HP 780 ink supplies). For details: http://www.hp.com/go/supplies/printpermanence .
